

K-Love radio is a very important part of my life and my wife and daughters lives as well. K-Love is a very positive, encouraging station and we gladly support it financially to have it in our homes and cars because it brings us so much pleasure and peacefulness. If we lose K-Love, we will be forced to listen to secular music or none at all, and that is not in the public interest since all four of my family members and millions of other Americans nation wide listen to and enjoy K-Love radio. Please do not allow it to be displaced by LPFM which adds no value to our community. Thank you.
